**Despite the pandemic,
and the dire prognoses
of men, God has contin-
ued to provide for the
children in our care, at
home and overseas. To
those who helped and
prayed — THANK YOU!**

Below you can see some of the younger children at Adullam House. How thankful we were these past few months that we could plead the blood of Jesus over them and trust Him to protect them. Our beautiful Interns gladly moved onsite and restricted their activities to minimize risk to our little ones. How grateful we are to the Lord for keeping His hand upon them. He is so very faithful! *(This was their Easter picture—courtesy of our lovely Interns!)*

'Til the storm, it passes over
 'Til the thunder sounds no more
 'Til the clouds are gone forever from the sky;
 Hold me fast, let me stand
 In the hollow of Your hand
 Keep me safe,
 'Til the storm passes by

In Moldova, the smallest and most impoverished country in Europe, the work is continuing unhindered despite the lockdown. Moshia and her little friends are loved and thriving despite the overwhelming odds that life has dealt them. How thankful we are that the Lord has allowed Adullam House to be a part of keeping those smiles on the sweetest little faces in Cupcui.

A I M HIGH!

Adullam International Ministries

Or- ***“With God, nothing shall be impossible!”***

Despite the restrictions placed upon us during this season, with your help the Lord enabled Adullam International Ministries to not only continue, but to flourish. A.W. Tozer once said:

“If you burn down the church building and drive away all the people, you have not disturbed Christian worship at all. Keep a Christian from entering the church sanctuary and you have not in the least bit hindered his worship.

We carry our sanctuary with us. We never leave it.”

During the time of trouble, recent testimonies include:

Alex is now 19. He graduated the Montgomery Fire Academy in April. We weren't allowed to be there but we loved seeing the pictures in the local newspaper. He came to Adullam House as a baby. The miracle of changed lives never gets old. Way to go Alex!

D'Angelo graduated from AHCA this May. Ms. Rachel and Ms. Kim came to our house to bring his cap and gown and to celebrate the occasion. What a joy to see a timid 5 year old grow into a fine, confident young man, and how thrilled we all are to learn that he has decided to go to Summit International School of Ministry in the fall. Way to go Dee!

And more! Despite the Coronavirus gloom that threatened Nairobi, Kenya, nothing has separated us from the love of God and **our school construction has continued unhindered.** As we write, the metal roof is being framed for the two wings of the first six classrooms. As Brother Kambona has told us repeatedly, ***“This is a miracle in the village!”***

Dependent on God for Everything

The Adullam House Thrift Store was God's idea. He showed us to do this long before we discovered that other ministries had created similar funding sources!

**Since the day we opened its doors,
AIM has been able to pay wages to all of its staff year round,
enabling all of your donations to go *directly* to the work of the Lord
and the needs of those we are helping.**

How awesome! You can imagine then, how thrilled we were to be able to reopen. Thank you to Ms. Emma, Mr. Tony, Mr. Coe, Allie and Trish (pictured above) who made our grand reopening such a success. You are all, truly, the provision of God to this work!

Don't forget! Adullam House can always use paper products of all kinds, as well as diapers (sizes 4 & 5), pull ups, and baby wipes for our Nursery!

Your monetary gift, large or small, will make a huge difference in helping AIM continue to change lives at home and abroad by the power of the gospel of Jesus Christ!

We would love come to your church to share the story of Adullam House!
