Christmas is coming and these five little sweethearts are going to love it! If you knew where they would have been—or *have already* been in their few, short years before Adullam House—your heart would break! Living in drug dens, hotel rooms that were set on fire as they slept, and bouncing from caregiver to caregiver, are just a few of their tragic stories.

But thankfully, this Christmas they will be with the staff of Adullam House. They will be protected and loved, and yes—I'm afraid—just a little bit spoiled!

And despite the pandemic the Lord has enabled us to continue building the school for our orphanage in Kenya, Africa!

At the beginning of 2020, our men returned from Homa Bay to the states on the last flight permitted to enter the country. *The lockdown had taken a new turn.* During that trip they had purchased the land, met with the builders, and put into place everything needed to permit the building of the first six classrooms.

The building of the school has been made possible by funds designated for this purpose by the kindness of one young donor, whose heart God had touched. The buildings you see below are our first 6 classrooms.

Six more classrooms and an office/restroom wing are soon to follow—God willing!

We had planned to take a work team from Alabama to Kenya this summer. *Our flights, of course, were cancelled* because of the shut-downs in Nairobi. **Nevertheless, the workers continued building as we watched longingly from across the world.** We studied every picture that was sent to us. We hurt for them as the power poles went down during heavy rains and the well pump stopped working. We sent some funds to pay for food and wages, as well as a generator so they could have water and electricity again. **Finally we saw the big red roof go onto the school-house!**

Or- ***“With God, nothing shall be impossible!”***

**“Where would I be—
You only know.
I’m glad You see
through eyes of love.
A hopeless case,
an empty place.
If not for grace!”**

Often, in his first few years of life, he was left in a locked and empty house for days, until someone found him and took him to the orphanage. When he turned sixteen he had to leave and he found a place of rescue and safety at our ministry. A few weeks ago he asked to go and find his mother, using vague memories of names and places to track her down.

**THIS CHRISTMAS
ADULLAM HOUSE
WOULD LIKE TO SEND
FUNDS TO MOLDOVA
TO BUY GIFTS FOR ALL
THE CHILDREN OF THE
ORPHANAGE WHERE
THIS YOUNG MAN
WAS RAISED. \$1,500
WILL HELP US TO
COVER THE COST OF
THESE GIFTS.
Will you help?**

***This is what he found...
This is where she slept...
Her belongings were strewn around the yard
of the abandoned building
beside her shelter.***

Thinking of our warm cozy beds this Christmas, we had to act. A big-hearted board member gave some personal funds, and a kind farmer offered the use of a small house for a minimal rent and the offer of employment. She is now out of the freezing cold weather and he is relieved to know she is well. The heart of a young boy has been put to rest. *It is well with my soul.*

Dependent on God for Everything

As a result of the pandemic, our school income has been reduced by exactly **\$81,000** this year. ***This is critical*** in light of the purchase of our new *high school building* the previous year. When we are wondering how to raise the funds for school essentials, for the needs of our Adullam House babies, and for our children in Africa and Moldova, one look at the little faces on the front cover, who have already been rescued, and ***we are reminded that the Lord will come through again—somehow!***

This Christmas, instead of gifts that perish, Adullam House is hoping to make some memories. We would like to take our children on a trip to find some snow! If you would like to make that trip possible by collecting McDonalds or gas gift certificates, or contributing towards a special outing, such as a pancake breakfast, or a snowtubing day, please mark your gift

“Christmas Adventure!”

Don't forget! Adullam House can always use paper products of all kinds, as well as diapers (sizes 4 & 5), pull ups, and baby wipes for our Nursery!

Your monetary gift, large or small, will make a huge difference in helping AIM continue to change lives at home and abroad by the power of the gospel of Jesus Christ!

Perhaps you feel the Lord tugging at your heart to help in some way. ***It would only take 81 people to donate \$1,000 each to make up this deficit.*** Please pray and see if God would have you help with this urgent need.

So many lives depend on what we do!

We would love come to your church to share the story of Adullam House!
